

Pageturners cordially invites you to the January Book Discussion of

2013-14 Great Michigan Read **Annie's Ghosts:** **A Journey into a Family Secret** by Steve Luxenberg

Annie's Ghosts is part memoir, part detective story, and part history. As the author tries to understand his mom's reasons for hiding her sister's existence, he takes readers on a journey into his mother's world of the 1930s and '40s, where he explores how a poor, immigrant family manages life with a child who has special needs.
