## **Author Michael Schumacher June 4th 6:30pm Houghton Lake Public Library**

Set in the infancy of weather forecasting, *November's Fury* recounts the dramatic events that unfolded over four days in 1913, as captains eager—or at times forced—to finish the season tried to outrun the massive storm that sank, stranded, or demolished dozens of boats and claimed the lives of more than 250 sailors.

This is an account of incredible seamanship under impossible conditions, of inexplicable blunders, heroic rescue efforts, and the sad aftermath of recovering bodies washed ashore and paying tribute to those lost at sea.

Open to the public and free of charge with refreshments provided
