

Skillsoft IT & Desktop Videos for Libraries

On-demand IT and desktop instructional videos

Your patrons need the right tools to effectively complete their research and learning projects. Skillsoft IT and Desktop Videos help libraries address the need for streaming video from industry experts taking the guesswork out of whether or not the content is authoritative.

Bite-sized content for quick consumption

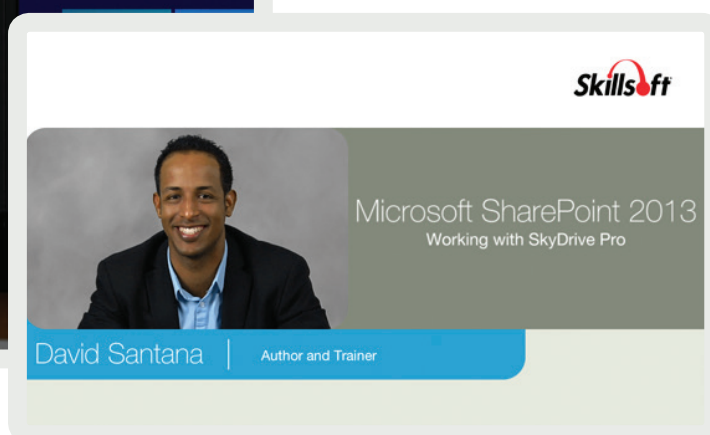

Skillsoft Skillsoft IT and Desktop Videos are 3-5 minutes in length, covering a variety of desktop and IT topics. A complement to IPro™ and OfficeEssentials™, Skillsoft IT and Desktop Videos highlight specific tasks and features, and are intended for users that are familiar with the software or hardware applications. The videos cover more than 1,000 topics, giving learners the support they need when they need it.

Learn on-the-go

To support busy students, the videos are available remotely on mobile devices, including tablets and smartphones, enabling learning whenever and wherever it's need it. The short length and device options provide learners with a flexible way to get quick answers to daily challenges.

Offer learners quick answers to daily challenges.
