

**Would you like to provide solicitation-free programs at your library  
about the benefits of estate planning?**

**Are you curious about how legacy gifts can be left to your library?**

***Leave a Legacy  
Planned Giving Roundtable of Southeast Michigan  
can help***

The **Planned Giving Roundtable** (PGRT) is a professional organization of 140 development officers, estate planning attorneys and financial planners. PGRT's purpose is to educate their members and provide the necessary skills to be effective advocates and better fundraisers for the non-profits they represent.

**PGRT**, through its **Leave a Legacy Speakers' Bureau**, can also help your library. Legacy gifts can be impactful and transformational to organizations that are near and dear to a donor's heart. This program is an effort to educate the broader public on the opportunities. **There is absolutely no solicitation of any kind.**

Educating the public about leaving a legacy is ideal for the library environment, but before you bring a speaker into your library, you should know what they will say.

**Educate yourself, educate your patrons  
about legacy gifts and estate planning.**

**Attend a session specifically for Library Directors and Staff**

**Presented by Bill Winkler**

**Friday, November 20<sup>th</sup>**

**1-3pm**

**Clarkston Independence**

**District Library**

**Friday, December 11<sup>th</sup>**

**10am-noon**

**Novi Public Library**
