

MY BODY BELONGS TO ME

Stories, Songs, and Movement

Empowering kids to be healthy, brave and strong & speak up when something is wrong!

YOU are invited to join Storyteller, Jenifer Strauss and Singer/Songwriter, Miriam Pico in a lively program for kids, families and caregivers with an important message about prevention of child sexual abuse.

"With more than 12 years of programming under my Librarian belt, I have to say that one of the programs I am most proud of is "My Body Belongs to Me". I will sleep well tonight knowing that more children & their families have been educated about sexual abuse today." ~Cathy Lancaster, Coordinator Of Youth Services, TADL
