

# Lakeland Library Cooperative

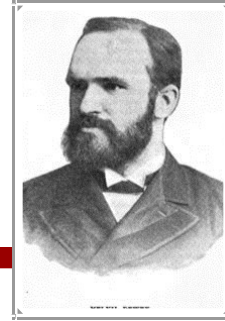

Friday, September 16, 2016

## Finding Items Using Dewey

9:00 am - 12:00 pm  
(Registration 8:45 - 9:00 am)

## Assigning Call Numbers Using Dewey

1:00 pm - 4:00 pm  
(Registration 12:45 - 1 pm)

**Professional Catalogers Susan Kroes & Jeri Walsh-Allis share tips and tricks using the Dewey Decimal System to ensure patrons find ALL the materials a library has to offer.**

***Register for one or Both!***

### **Morning Session: Finding Items Using the Dewey Decimal System**

Sure, you know the 10 categories, but are you sure you're finding everything?

### **Afternoon Session: Assigning Call Numbers Using the Dewey Decimal System**

New to cataloging or need to understand how the standard subdivisions and tables can help narrow down a topic? (Not just for would-be catalogers.)

***A box lunch will be provided upon request at registration for an additional \$10***

*Enter your request for a box lunch in the "Notes" field when registering and note any dietary restrictions.*

### **Location**

Gary Byker Memorial  
Library of Hudsonville  
3338 Van Buren St,  
Hudsonville MI 49426  
(616) 669-1255

### **Register online at:**

[http://arwen.lcoop.org/  
eventcalendar.asp](http://arwen.lcoop.org/eventcalendar.asp)

Registration Deadline:  
September 7, 2016

(No cancellations /refunds  
after this date.)

### **Cost**

LLC Members: \$15 for either the morning  
or afternoon session; \$25 for both.
