

YOUTH SERVICES 101

Are you: An accidental children's librarian? Feeling overwhelmed when it comes to youth services? A librarian of many hats handling multiple roles in the library? Lost amid all the talk of 'early literacy' and 'lexile scores'?

Never fear, we have the solution for you!

Join us for a full-day immersive workshop focusing on youth services in the public library. We'll cover all the bases and you will leave the day with the building blocks and connections to create a successful youth department.

**Thursday, March 5, 2020
8:30am to 4:30pm**
