## **"GANGSTERS UP NORTH"**

Gangsters play an important and colorful role in Michigan history. But what were they doing in Michigan's vacationlands? *Gangsters Up North* provides the fascinating account of truth and myth. Al Capone, the Purple Gang, Fred "Killer" Burke, additional Public Enemies and many other hoodlums found their way Up North in fact or fiction. Some came for gambling, bootlegging, kidnapping, and murder. Others just wanted some rest and relaxation. For the first time, the whole colorful story can be told.
