Summer is fun with the Michigan Learning Channel!

Keep kids engaged in learning this summer with an exciting 8-week program from the Michigan Learning Channel. Find fun and fascinating enrichment programs centered around a weekly theme, plus two hours per week of grade-level-specific ELA and math programs to support summer learning for preschool to 6th grade.

Hands-on STEM activities, thematic PBS programs, physical activity, outdoor exploration challenges, virtual events and field trips will bring additional excitement and engagement to students across the state. A weekly activity guide will accompany television content and will include games, scavenger hunts and family activities to extend learning.

Summer is full of opportunities to play and learn and we want to make it easy to find inspiring, kid-friendly activities!

That's why we've worked with PBS stations and content creators from across the country to bundle up some of our favorite activities into one, easy-to-carry-anywhere book. We hope you and your kids will use these books to inspire learning all summer long!
