HOW TO FIX A LEAKY FAUCET

Wednesday, March 30, 2022

6:30 pm - 7:00 pm | Online via Zoom

Library staff will show you how to use one of our free databases, Home Improvement Reference Center, to help fix a leaky faucet. A Zoom link will be sent to your email once you are registered.

HOW TO JUMP START A CAR

Wednesday, April 6, 2022

6:30 pm - 7:00 pm | Online via Zoom

Library staff will show you how to use our free database, Consumer Reports, for step-by-step instructions on how to jump start a car. Staff will also suggest a tool to have that is even better than jumper cables. A Zoom link will be sent to your email once you are registered.

HOW TO USE A GENERATOR

Wednesday, May 4, 2022

6:30 pm - 7:00 pm | Online via Zoom

Library staff will show you how to use our free database, Consumer Reports, to help select a portable generator; and staff will go over instructions on using a generator, which is an invaluable tool to have during a power outage. A Zoom link will be sent to your email once you are registered.
