

MICHIGAN NOTABLE BOOK

Virtual book talk with author **Josh Greenberg**

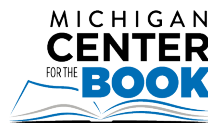

Be sure to join us as we talk to Mr. Josh Greenberg about his 2022 Michigan Notable Book “Trout Water: A Year on the Au Sable.” Mr. Greenberg’s book is his journal of the experiences he encounters while fishing on the Au Sable — reading the movement of the river water, studying the play of light on the water — and how it helps him to realize that there’s more to catching fish than catching fish.
