

SMALL-SCALE GRAIN GROWING

FOR HOMESTEAD & COMMUNITY GARDENS

ONLINE VIA ZOOM

AUGUST 17
6:30 PM

greatlakesstapleseeds.com

with Scott
Hucker of
Great Lakes
Staple Seeds

Discover how to grow grains on a home garden scale. Scott Hucker of Great Lakes Staple Seeds will take us through a growing season step by step, sharing his experience with growing these wonderfully diverse and versatile staple crops. He will speak from a personal use level, and topics include selection, planting, cultivation, harvest and processing that culminates in culinary uses.
