

WILLOW RUN

80+ YEARS & GOING STRONG

TUESDAY,
SEPT. 27 | 6:30 P.M.
HENRY FORD CENTENNIAL
LIBRARY AUDITORIUM

NO REGISTRATION

Local author and historian Barry Levine will discuss the over 80 year history of the Willow Run complex: Ford's B-24 bomber plant, Kaiser Frazer, General Motors auto and transmission manufacturing, passenger and air cargo aviation, military research, and more. "While operations have changed over the years," says Levine, "the people at Willow Run have always persevered through whatever challenges came their way."

Barry Levine works at The Henry Ford Museum and is a volunteer at the Yankee Air Museum. He is the author of the books *Yankee Air Museum* (2018) and *Michigan Aviation: People and Places That Changed History* (2021), and his articles have appeared in various aviation and history magazines.
