

## Virtual Talk with author and journalist Charlie English

### How books were smuggled behind the Iron Curtain

Former head of international news at the Guardian, Charlie English is the first to uncover this true story of Cold War spy craft, smuggling and secret printing operations, highlighting the work of a handful of extraordinary people who risked their lives to the intellectual strait-jacket the Iron Curtain created.

This is a story about the power of the printed word as a means of resistance and liberation.

**Saturday,  
October 11th**

**11:00am - 12 Noon**

Henry Ford Centennial Library,  
Library Auditorium
